

Motivate Educate Celebrate

At The Oaks School we recognise individuality and motivate our pupils to take opportunities and work towards independence. We strive to provide educational excellence and a personalised pathway.

Help pupils achieve emotional resilience to overcome boundaries to learning and develop self esteem and confidence

Provide a learning environment that fosters a mutually respectful ethos

We value equality, diversity, perseverance, creativity and individuality

Prepare pupils for life beyond school

Place pupils, parents and carers at the heart of education, health and care planning

We Value
Individuality Diversity
Creativity Perseverance Positivity
Resilience
