## Who is Foundation Studies for?

New College Durham's Foundation Studies courses are designed to support progression into mainstream further education. They are the ideal first step for all kinds of students, from those struggling to cope in the traditional classroom environment, to those who have additional support needs or EHCPs.

## Who can access support at NCD?

Our support services at NCD are second to none and are available to all students, from those who just need a little bit of help with organisation, right through to those with an EHCP.

**Come to our Student Support Open Evening to find out more about what NCD can offer.**
