

Cultural Enrichment

At the Oaks Sixth Form we offer an array of enrichment activities on a Friday afternoon which enable the student's opportunities to develop their own well-being and social skills around personal interests.

The activities include:

- Bouldering
- Tin Arts -dance and drama
- Film club
- Arts and crafts
- Sport
- Yoga
- Table cricket
- Metal detecting
- Hair and beauty
- Plus many more

Each term students are encouraged to look at other options and experience a different group to ensure they experience different activities and develop their knowledge of what is available to them as they prepare for adulthood.

Enrichment doesn't just take place each Friday afternoons. Other activities take place throughout the academic year, these include: outdoor adventurous residential trips, taking part in the National Citizenship Scheme, Duke of Edinburgh Award, If you care share sessions, theatre trips, trips to Blackpool and much more.

Themed activities coincide with events that are happening in our society as a whole such as Mental Health Awareness week, Children in Need and Comic Relief.

The Sixth form students are also very lucky to have close links with the Auckland Project, this enables us to visit local art galleries, Auckland Castle and the tower. We can also take part in joint themed activities with the support of the Auckland project including enterprise and art work.

Sixth Form students can also take part in Work Experience around their personal interests and aspirations, tailored around the individual pupil.

Sixth Form students develop their self-esteem, confidence and a range of wider skills to enable them to make informed choices in a variety of situations and become valued members of the school and the wider local community as they move into adulthood.
