8th September 2023

Dear Parents and Carers,

From September we will be offering all parents/carers the opportunity to come along to one of our after-school sessions. These sessions will include budgeting and cooking healthy meals for the family. We will be working in partnership with Durham Learn to bring you these free courses which are available to adults aged 19+ who do not hold a Maths qualification at Level 2 or equivalent. Attending these sessions will help to increase your confidence with cooking, budgeting and maths skills and will run alongside what your child is learning in school. Once you have completed this course there will be an opportunity for you to complete a Level 1 or Level 2 Maths or English qualification.

We hold after school clubs on a Monday, Tuesday and Thursday afternoon. We are initially asking parents and carers if this is something you would be interested in.

We will contact parents/carers again if there is sufficient interest in these courses. To take part in one of these courses please select which course(s) you would be interested in below:

Parent/Carers name (participate) -

Child's Name:

- Cooking Skills
- Preparation for Adulthood – How to manage a budget

Yours sincerely

M. Tweddle.
